

# ***ClinicalTrials.gov PRS***

*Protocol Registration and Results System*

## **PRS Record List Resources**

---

**To learn more about the topics in the *PRS Record List* video, visit these resources:**

- [PRS User's Guide, Section 8.1.2. FDAAA 801 Problems](#): Learn how the PRS flags records for possible FDAAA 801 or Final Rule issues to help responsible parties identify trials that are missing FDAAA 801-required registration data elements.
- [Checklist for Evaluating Whether a Clinical Trial or Study is an Applicable Clinical Trial \(ACT\)](#): Review a checklist to help you evaluate whether a clinical study initiated on or after January 18, 2017, is an ACT under 42 CFR 11.22(b).
